The City of Norman Sanitation Department will pick up tree limbs that are tied in bundles or placed in suitable containers (no more than 35 gallon size). Tree limbs in bundles should be limited to limbs no larger than 2 inches in diameter and bundles not longer than 4 feet in length.

The Compost Facility located at 398 Bratcher Miner Road is available to residents free of charge if they wish to bring in their own yard waste. Larger debris can be brought to the transfer station where a drop off charge is applicable and based on weight. The hours for the Compost Facility are 7:30 a.m. to 4:00 p.m. Monday through Friday. Residents should bring proof of Norman residence (driver's license with address or utility bill).
